KNOW YOUR 2016 VOTING RIGHTS!

ELECTION HOTLINE: **1-877-321-VOTE (8683)**

VOTING AT THE POLLS

Voter Identification: If asked to show ID, you should do so. If you do not have your ID, ask to vote a "Provisional Ballot."

Poll Closing: If you are waiting in line when the polls close at 8:00 pm, you have the right to vote.

VOTING BY MAIL

Mail-In Deadline: Mailed ballots must be postmarked on or before Tuesday, November 8th (Election Day).

If you still have your Vote-By-Mail ballot on Election Day: You can return it to ANY polling place in your county. A relative or someone in your household can also turn it in as long as that person's name and your signature are on the envelope.

If you lost or didn't get your Vote-By-Mail ballot: Contact your County Registrar to request a replacement, or go to your polling place on Election Day and ask to be given a "Provisional Ballot."

PROVISIONAL BALLOTS

If there is **any** question about your right to vote, ask for a Provisional Ballot. Insist on voting a **Provisional Ballot if:**

- Your right to vote is challenged for **any** reason
- Your name does not appear on the roster at your own polling place
- You are at a polling place other than your own
- You are asked for ID and don't have it with you
- You didn't receive or lost your Vote-by-Mail ballot

Each Provisional Ballot is placed in an envelope that must be signed by the voter. They are checked later to ensure you are registered to vote in your county.
