Singapore Airlines serves the San Francisco area through its airport operations at **San Francisco International Airport (SFO)**. There isn't a separate standalone downtown office — all passenger services are handled at the airport's international terminal and through official airline contact channels.

Singapore Airlines San Francisco Office (Airport-Based Services)

Location:

Singapore Airlines

780 S Airport Blvd, San Francisco, CA 94128, USA
(Located within the airport's international airline area)

Airport:

San Francisco International Airport (SFO) serves as the main base for Singapore Airlines passenger services in the region. United Airlines operates domestic services out of other terminals, while international carriers use the international terminal areas.

 **Important:** Singapore Airlines does **not** operate a separate city-center ticket office in San Francisco — customer service, ticketing, and travel support are provided at SFO or via official airline channels.
