

1-866-407-6190 United Airlines San Francisco Office

United Airlines has one of its **most important operational hubs** in San Francisco, California. While United Airlines does not operate a large public-facing downtown ticket office in San Francisco, the airline maintains a strong **customer service and operational presence at San Francisco International Airport (SFO)**, which serves as a major gateway for domestic and international flights, especially across the Pacific.

United Airlines San Francisco Office (Airport-Based Services)

United Airlines' primary San Francisco presence is located at:

Airport:
San Francisco International Airport
San Francisco, CA 94128, USA

United Airlines operates mainly from **Terminal 3** (domestic) and the **International Terminal (G Gates)** for international departures.

 **Important:** United Airlines does not typically offer walk-in ticketing services at a separate downtown San Francisco office. Most passenger-related services are handled directly at **SFO airport counters** or through official online and phone support.
